RE: Notice of ARPA Water & Sewer Grant Award

Dear Scott Altman:

On behalf of the State of Montana, it is my pleasure to notify you that the Gallatin Canyon Water and Sewer District has been conditionally approved for an ARPA Water & Sewer Competitive Grant award in the amount of \$2,000,000 for the Central Sewer System Project.

Montana is leading the nation in making critical water and sewer infrastructure investments, with more than 80 percent of them supporting our rural communities. Projects such as this help address the critical water and sewer infrastructure needs of our local communities, allowing them to prepare for long-term growth and take action to address immediate community needs. I appreciate the planning and dedication that your community has taken to advance this critical project, so that all Montana communities and families may thrive.

Please note that pursuant to section 28 of HB 632, if a local government awardee or any of its authorized agents have health regulations related to COVID-19 that are more strict than those imposed by the state in effect at the time a grant is awarded, the grant will be reduced by 20 percent. In your application, you were required to certify whether relevant regulations were in effect. Please update the Department of Natural Resources and Conservation (DNRC), in writing, if that has changed between the date you submitted your application and the date of this award letter.

Staff at the Montana Department of Natural Resources and Conservation (DNRC) will contact the Gallatin Canyon Water and Sewer District directly with more information in the upcoming weeks. In the meantime, if you have any questions, please contact Shawna Swanz, the ARPA Grant Manager at the DNRC, at (406) 444-5467 or shawna.swanz@mt.gov.

Sincerely,
